- Horizontal or Vertical Satellite Speaker Configuration
- Asymmetrical Baffling Delivers Superior Sound
- Acoustically Transparent Metal Grilles
- Convenient Front Panel MP3 Player Input

FLEXIBLE DESIGN
Speakers lock together for use under your monitor

ALTEC LANSING®

THE PERFECT COMBINATION OF POWERFUL SOUND AND FLEXIBILITY

This three-piece system delivers the ideal balance of powerful sound and ultimate flexibility. The satellites feature a unique design that allows you to place them upright on your desk or interlock them to fit them under your flat-screen monitor. A 5-1/4-inch powered subwoofer provides all the bass you'll need for your favorite music, movies and games. The 2-1/2-inch full range drivers are housed in a specially designed cabinet that features asymmetrical baffling for uncompromised sound quality and reduced distortion. Any way you add it up the VS2521 is the perfect companion for all of your computer audio needs.

VS2521

Maximize your desk space

Unique design lets you use speakers in a horizontal or vertical configuration. Fits great in unused space below most monitors.

High-quality stereo

Custom-engineered full-range 2.5" ported speakers deliver clean, full-spectrum sound with outstanding accuracy.

Distinctive design

Features high tech, acoustically transparent metal grilles that look great everywhere.

Front panel headphone jack

For private listening.

Unique asymmetrical baffling

Delivers uncompromised sound quality while reducing standing waves and distortion – your favorite tunes never sounded so good.

Powered subwoofer

5-1/4" long throw driver lets you feel the bass from your favorite music or movies.

Convenient

Front panel input jack lets you to connect your MP3 player without disconnecting your PC.

Easy set-up

Color-coded cables ensure you'll be up and running in seconds.
